

Inclement Weather Policy

revised 2/21/16

Since our families are spread out over multiple school districts and attend a wide variety of schools, plus the fact that our activities are generally at a different time of day than school hours, we don't follow any one school or district when it comes to weather cancellations. In general we will stay open except in only the most extreme circumstances. When we do close, we will post a notice on our Facebook page: <https://www.facebook.com/AllegroMusicGR/> and on our website: allegroGR.org, plus notify Channel 13 WZZM. If you don't see a notice in one of these places, you can assume we are open.

At any time if you are not comfortable venturing out into any weather situation, simply contact our office at 301-3888 and your absence will be excused. If one of our instructors is not comfortable venturing out due to weather circumstances, office staff will do its best to contact affected families as soon as possible via email or phone. The same is true if one of our facility hosts closes due to weather.

Makeup lessons and classes will be scheduled when possible in accordance with respective makeup policies for lessons and classes.
